

Bubble Bulletin

Volume 13, Issue 2

August 2010

It's amazing how quickly the summer season comes and goes! It seems like just yesterday we were opening the pools and getting Salt Rock ready for summer. Hopefully the warm, sunny weather will stick around for our last week!

Weather wise, the summer weather has been in our favor. We have only had to cancel a few times due to storms. **If your child's class was cancelled**, you have a credit on your account for \$13 per child. Your credit will remain on your account until you use it. Credits can be applied as payment toward future swimesters, on retail purchases, or family swim.

Just a reminder that all open **balances are due!** If you have any questions about your balance, please contact the swim school office (860)822-6879.

Thank you to all the families that joined us for our **4th Annual Sun 'n Fun Day!** We hope you all enjoyed the dunk tank, field games, music, crafts, swimming, and snacks. Congratulations to all the basket drawing winners. Don't forget, charter memberships are still available! You can save money for your family on future programs, as well as help 'fill the pool' with your membership today! If you have any questions, please contact the Swim School office. We can not wait to be in our own facility!

As you and your family begin to prepare schedules for the upcoming school year, we have been busy planning our indoor season of swimming. **Our Fall Swimester will begin on Sunday, September 26th-December 16th.** We will be offering lessons at the AmericInn & Suites in Griswold. Lessons will be Sunday through Thursday. Our Fall, Winter, and Spring program will consist of three 11 week swimesters. Classes will be offered Sunday through Thursday.

Online **registration will begin on Monday, August 23rd.** You should be receiving a level placement card from your child's instructor. If you have any questions please speak with your child's instructor at the pool.

The staff would like to **thank you** for another great summer swimester. We are all very proud of all the student accomplishments over the summer. We hope that your children continue to progress with their swimming into the upcoming season. It is amazing to see how a child's comfort, confidence, and skills in the water can improve with consistent, year-round swimming!

We look forward to seeing you in a few weeks!
