Summer 2009 - Your Questions Answered!

We hope everyone is enjoying this spring swimmer as much as we are! This is a busy time of year and we know that is time for everyone to begin planning for summer—vacations, camps, and swim lessons! Here are a few common questions answered regarding our summer program. Registration has begun online - sign up now!!

Where and when will you be offering swim lessons this summer? This summer we will be offering swim lessons at Salt Rock State Campground in Baltic. The summer swimmer is nine weeks: June 22nd - August 22nd. We will be at the campground Monday through Friday. Lessons will be a half hour long and will run from 9 am - 7 pm. We will also be offering nine weeks of our popular Swim Camp program. Swim Camp meets 4 days a week (M - Thur) for a 45 minute lesson and 15 minute recreation time. Swim Camp will run 9 am, 12 pm, and 2 pm.

I've never been to Salt Rock What is it like & where is it?

Salt Rock State Campground is located in Baltic on 173 Scotland Road (Rte. 97). The campground has two, outdoor heated pools: one pool has a depth of 3 ft all the way across and the second pool is 3ft to 7ft. There is also a great playground area near the pools to play on before and after swim class! To get to the campground take I-395 to exit 83 and follow Rte. 97 through Baltic and past the elementary school.

How do I know what level to register for?

As this swimmer is coming to an end (only three weeks left!) the instructors will be letting you know what level(s) to sign up for. Feel free to ask the instructors any questions you may have regarding level placements or the summer

Please check the lost & found baskets at both pools - we have a lot of "lost" items that will be donated to Goodwill at the end of the swimmer!

program. Over time, we have found that many children remain in the same level for an average of two swimmers.

Will you have a Sun & Fun Day again? Mark your calendar now! Swim School is holding its 3rd Annual Sun & Fun day on August 2nd! The day will include swimming, games, activities, food and much more to come!
