

Bubble Bulletin

Splash into spring swimming!

The Bubbles to Butterfly Staff would like to welcome all new and returning families to our Spring Swimester!

The first week of classes was a success! Everyone is settling nicely into their classes. After each night of lessons last week, the staff discussed how all of their classes went and if any changes needed to be made. We always want to ensure that each student is in the appropriate class to allow them to increase their skills, have fun, and feel safe in the water.

As the snowy days are drifting away and the April showers are moving in, please help us keep the pool area clean and sanitary by removing your shoes. You may want to pack a pair of sandals or flip flops in your swim bag to keep your feet dry.

It is our goal that your children have a positive swim experience at Swim School. If you have any questions, please feel free to speak with any staff member between their classes, call the office at (860) 822-6879, or e-mail a message to: MBCSwimR@aol.com

We are very thankful to the AmericInn Lodge & Suites for their continued support through the use of their pool. We would like to remind everyone of a few things that we can all do to continue to maintain a positive relationship with the hotel;

- B** Please remain in the pool area for the duration of your child's lesson. We understand that it is warm, and suggest dressing in layers.
- B** Use of the hot tub and lobby amenities is for hotel guests only. Including all food & beverage in the lobby.
- B** When walking to and from the pool please keep your children with you & remind them to walk through the hotel.
- B** Bring your own towels to swim class - the hotel towels are for hotel guests only! If you forget yours, please see a staff member, we have extra towels for you.
- B** Use the bathrooms in the pool area only and limit your time so that others can change & use the toilets.

Thank you for your continued cooperation!

Swim School is on facebook! Become a fan! Check for updates, share pictures, discussion boards, and more! Search "Bubbles to Butterfly Swim School" or click the link on our webpage:
